

2022 SCHOOL BOARD CANDIDATE SURVEY

Protect Student Health Georgia advocates for the transparency of school systems for both parents and the community and for laws and policies that protect the innocence of children and strengthen parental rights. We advocate for our teachers' ability to teach their academic subject matter with confidence free from outside influences. Because citizens are increasingly interested in school policies and what is being taught in schools, we are conducting this survey of all school board candidates.

INSTRUCTIONS: Please indicate your position on each of the following issues by placing an "X" in the appropriate box. Please initial both the first page and sign your 2022 SCHOOL BOARD SURVEY on the second page. To assure the integrity of your survey, scan and return to info@protectstudenthealth.com by April 18, 2022. If you choose not to participate, please indicate this by email. In addition, we will share the names of all candidates who have chosen NOT to participate in this survey. Thank you for taking the time to respond and carefully consider each issue. By responding to this survey, you consent to its further distribution, use, and publication.
